A landscape photograph showing a wide, flat field of tall, golden-brown grass in the foreground. In the middle ground, there is a line of dark trees. Beyond the trees, a body of water is visible under a dramatic sky with large, dark clouds and a bright, low sun on the right side, creating a sunset or sunrise scene. The text is overlaid on the left side of the image.

Sound Mapping Activity

Step One: Gather your Materials

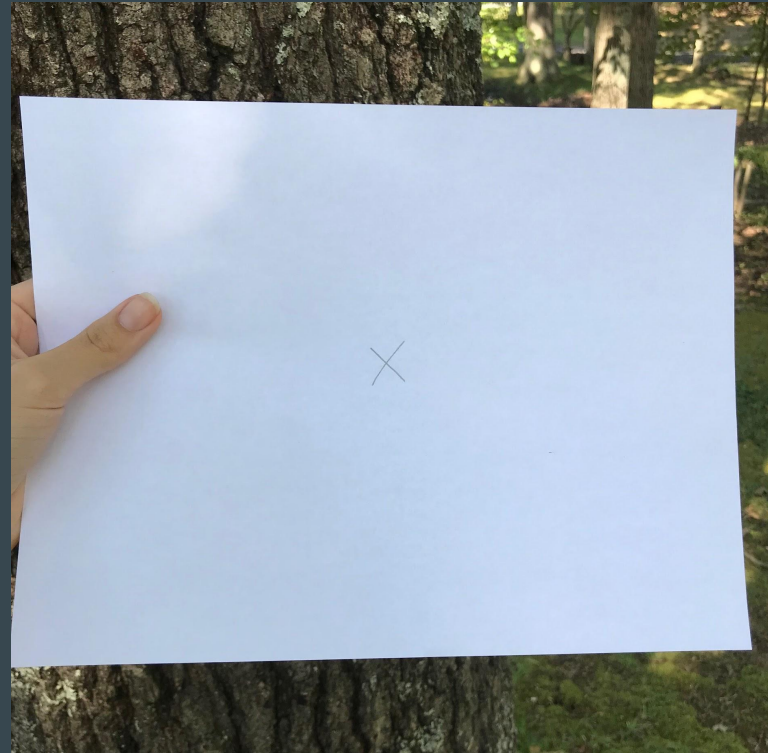

- Piece of paper
- Pencil
- Clipboard or something to write on
- Coloring tools (can color later)

Step Two

Mark an “x” on your
paper

This “x” represents you
and where you are sitting!

Step Three

MAKE A SOUND MAP

Be very quiet and listen to all the sounds around you!

Mark the noises you hear
with a symbol on your
map

This sound was far away!

This noise was very close to me!

Step Four

Don't forget to make a key!

This will help you remember what your sound mapping symbols mean!
