

STICK SHAPE PICTURE FRAME

DIRECTED EXPLORATION OF THE PARK
FOR AGES 8+

SUPPLIES

Cardboard
(from an old box)

Bundle of sticks
(the thinner the better so you can break them with your hands!)

Hot glue gun
(or super glue, white glue)

Paint
(optional - anything you have in the house!)

Picture
(of your favorite pet, person, or thing 😊)

FORAGE!

Remember to only collect what is already dead and on the ground

Watch out for poison ivy!

STEP 1

Cut two pieces of cardboard into identical rings

STEP 2

Glue the cardboard rings together to make one super strong ring!

STEP 3

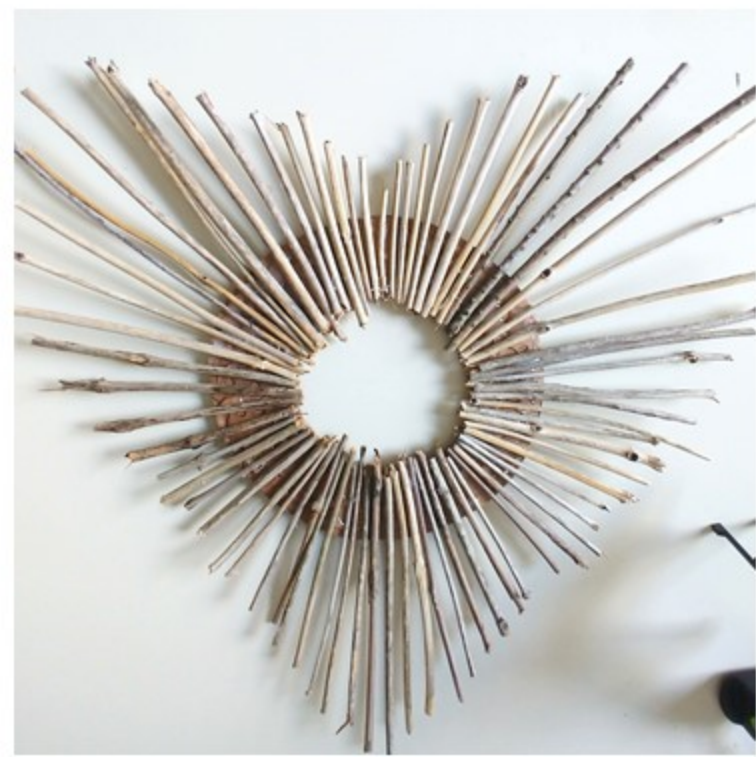

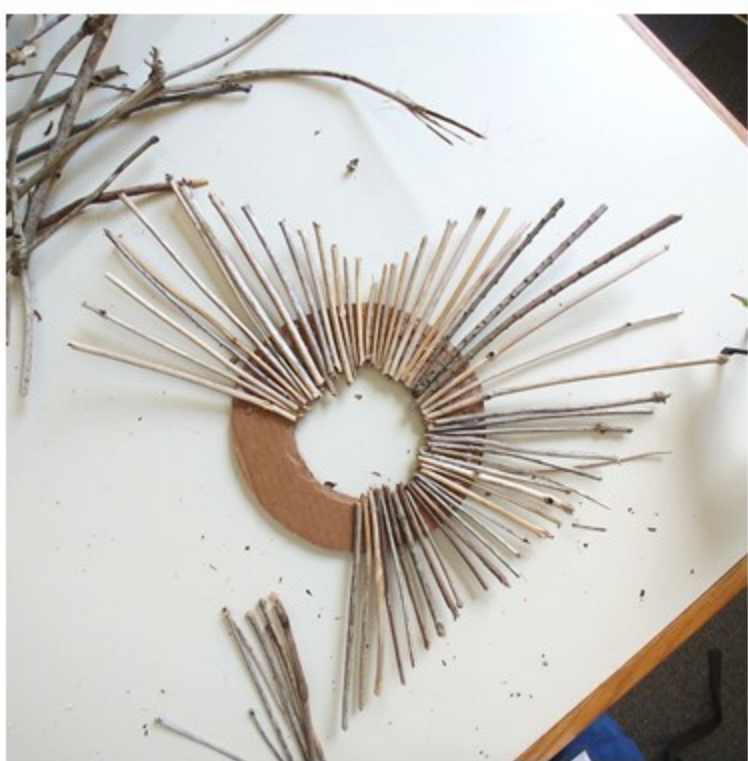

Break your sticks up into a bunch of different sizes and start laying them out in a shape on your ring. You can make any shape you want!

STEP 4

Glue your sticks down around the ring - it's ok if they're not perfectly lined up!

Add a second row on top to fill in the gaps

STEP 5

Paint around
the inside of
your stick
shape
(entirely optional)

Add a photo
of
something
or someone
you love!
